EXPLANATION OF MEDICARE SERVICES

Dear Medicare Patient,

Welcome to Integrated Chiropractic! We would like to take this opportunity to explain your Medicare benefits as they relate to your chiropractic care.

It is important that you understand Medicare **will consider** payment for **spinal** adjustments only, for neuro-musculo-skeletal conditions only. Medicare **will not provide benefits** for any other chiropractic services required for your care, including: **physical examination, x-rays, extremity adjustments, and rehabilitation procedures such as heat, ice, soft-tissue therapies, physiotherapies (ultrasound, electric muscle stimulation, cold laser) and other passive and active therapies.**

You will be responsible to pay for all non-covered services at the time of service. You will also be responsible for an annual **\$233 deductible** as well as your co-pay. **Medicare will only pay 80% of charges. The other 20% (your co-pay) will be your responsibility after all charges have been processed through Medicare.**

If you have a secondary insurance that covers Chiropractic care, we will submit your charges to the insurance company. Please be sure to provide your insurance card(s).

I fully understand the above paragraphs and agree to pay for all services not covered by Medicare at the Time of Service.

I request that payment of authorized Medicare benefits be made either to me or on my behalf to Integrated Chiropractic for any services furnished to me by that physician. I understand that there are other medical treatments and options available to me at this time including but not limited to medications, injections, or surgeries. I am choosing to receive chiropractic care and acknowledge that I am of sound mind at the time of signing this document.
